			<p>Revision at home. Revision. Easier Maths work. Nothing really. Nothing needs to be better. I really like how it is. Get better at spelling.</p>
		YEAR 5	<p>Its fine as it is. Maybe a bit lesser expectations. It can't be any better other than maths fractions. Nothing. By putting music in the background. My school does not need to be changed. Shouldn't change. If it was a bit easier because I can't catch up. No changes needed.</p>
		YEAR 6	<p>Changing some topics like maths. Less writing and a little bit more PSH. More time at home. I would like to do P.E more. To not do maths. Less maths. Use more teacher input, less noise in the classroom. It would be better with less tests. Not changing anything. I can't spell or read well so I need help. Sitting in my own room with 1 teacher and no children. If some more teachers give more feedback instead of just using ticks. Some more feedback. By only having English and Art. More interesting and easier Maths. Do more spellings.</p>
