Nursery to reception is a big step for parents and the children, further Communication for parents, as when Ubayd started reception I had no idea what he was doing learning etc at school and at the playground many of the parents felt the same. Also Ubayd tells me he only has half an apple at school or sometimes a cake. While I don't know exactly what he's eating I would like to be told if he isn't eating properly so I can put a plan in place.
